

Tobago Cays
Marine Park

To protect, conserve and improve the natural resources

Marine Tourism Survey 2010

Dear Sir or Madam,

The coral reefs, seagrass and mangroves of the Grenadines and the Tobago Cays represent a natural heritage both for the children of St. Vincent and the Grenadines, as well as the children of the world. In our continuing effort to ensure that our valuable marine resources are protected, the Management of the Tobago Cays Marine Park (TCMP) would like to ask for your help.

An important part of this effort is the establishment of a solid understanding of how the Tobago Cays and the marine environment are being used. To this end, the Management of the Tobago Cays Marine Park has initiated a marine tourism survey.

We would like to ask you to complete a simple VISITOR SURVEY FORM during or following your visit to the Tobago Cays. While taking only a moment of your time, completing these forms will provide very valuable information, and will allow you to become a part of the Tobago Cays conservation effort.

Please take the time to complete the form that is included with this letter, and return them to the TCMP Rangers who will be passing by from time to time. Alternately, the form can be found online at www.tobagocays.com and can be submitted electronically. Feel free to call on the rangers or staff of the TCMP at any time if you have any questions or concerns regarding the Tobago Cays Marine Park.

We greatly thank you for your cooperation and assistance, and look forward to a lasting partnership with you towards the protection of this natural treasure we call the Tobago Cays.

Respectfully,

TCMP Management

TCMP VISITOR SURVEY FORM

Captain/Skipper Name: _____
Vessel Name: _____
Duration of Present Voyage: _____

What is the Purpose of your Voyage?

- Charter Day Trip
 Personal Sail Other

Number of Passengers on present voyage: _____

Please name the port in which your passengers Joined the Vessel: _____
 Will disembark the vessel: _____
